

## **RMCANA Golden Jubilee Library**

The idea for a fully equipped library in Rangaraya Medical college preclinical campus with 24/7 access was mooted in 2005 by our fellow Rangarayan and the then principal Dr.A.V. Krishnam Raju. To RMCANA.

Successive RMCANA presidents including Ravi Chadalawada, Ram Mohan Kancherla, Veeraiah Chundu actively participated in the fund raising with a target of \$250,000 for the completion of the project. The foundation stone was laid by Honorable Chief minister of Andhra Pradesh Sri Y.S, Rajasekhar Reddy during the Golden Jubilee celebrations of RMC

Dr.Murthy Mutyala was nominated as convener of the RMCANA golden Jubilee library committee with Prasad Kakarala, Veeraiah Chundu, Lokesh Edara, Mohan Kesani and Vishnu Kalidindi as members. Our library project committee was able to raise sufficient funds to reach our target \$250,000 for the library project in a record time.

We are very proud to announce that the library was handed over to Rangaraya Medical College on January 6, 2010 during the dedication ceremony presided over by Sri Mullapudi Harischandra prasad.

This project is funded completely by the generous donations of RMCANA members and without seeking matching grants from Government agencies. We would like to recognize the services of Dr.Murthy Mutyala, Convener, RMCANA Library committee without whose personal supervision and physical presence in Kakinada, this project wouldn't have been completed on time. We are very grateful to our fellow Rangarayan and Vice Chancellor of NTR Health Sciences University Dr.A.V Krishnam Raju garu for getting the Government approval for the Library site and also staff for the library. We would also like to recognize the services of Dr.Lokesh Edara, Chairman TANA foundation for superb book keeping and management of funds. We would like to recognize the services of Prof.Vadapalli Satyadev and Dr.Saladi Lakshminarayana for their on-site contributions to the project.
